1. Applicant's arguments filed 10/16/08 have been fully considered but they are not persuasive. First, the after-final amendment filed 10/16/08 has not been entered because it raises a new issue that require further consideration and search, and presents additional claims without cancelling a corresponding number of finally rejected claims. The new issue is the limitation concerning the first pigment. Second, applicant's arguments are inappropriate at this time since they concern limitations not entered as this time.
2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to EDMUND H. LEE whose telephone number is 571.272.1204. The examiner can normally be reached on MONDAY-THURSDAY FROM 9AM-4PM.
